

WIRELESS
INTERNET
ACCESS IN
RURAL AREAS
USED TO BE
IMPOSSIBLE.
NOW IT'S
AT YOUR
FINGERTIPS.

*LIFE RUNS FASTER
WITH POWERNET.*

Surf, explore and connect — at your convenience.

Living away from the city doesn't mean you can't still be connected by the web. Whether its shopping from your favorite retailer, checking the weather, keeping in touch with family and friends across the country, or posting pictures of your prized llama to Facebook – PowerNET connects you.

PowerNET's Wireless Internet Services gives you access to what matters most: **POSSIBILITIES.**

POWERNET BROADBAND WIRELESS INTERNET

For fast connections, Internet gaming, and speedy downloads, choose PowerNET broadband wireless Internet Access. Your Internet connection can start at 768 Kbps, nearly fifteen times the speed of dialup!

RESIDENTIAL PACKAGE

BUSINESS PACKAGE

Nominal Download Speed	Monthly Rate	Nominal Download Speed	Monthly Rate
Base – 768 Kbps	\$59.95	Base – 1 Mbps	\$79.95
Enhanced – 1 Mbps	\$69.95	Enhanced – 2 Mbps	\$89.95

Residential packages include 3 e-mail accounts.

Business packages include 1 static IP address, 1 domain registration and 6 email accounts.

Need more speed? PowerNET can tailor a wireless service to your specific needs.

POWERNET DIAL-UP INTERNET

Do you live in an area where you cannot receive broadband services? Or just do not want to spend too much on your Internet connection? PowerNET dial-up Internet access is inexpensive and reliable, providing a satisfying connection to the Internet.

Service	Monthly Rate
Dial-up Internet Access	\$19.95

There are no additional setup charges for dial-up services.

Dial-up Internet access is available as a local call to anywhere in the continental United States. Call (509) 786-4004 for number outside the Yakima Valley.

CALL TODAY FOR A FREE ON-SITE SIGNAL TEST.

**Each package has a one time set-up fee of \$100 for standard installation, and requires a one-year commitment. Available in the Yakima Valley/Columbia Basin area.*

EXTRA SERVICES | Benton REA can customize your account with additional services:

Website & Domain Hosting

Benton REA can register, host and maintain your domain on our servers. Go with a local provider that can also assist you with your website design. Hosting packages start at \$9.95 per month with a one-time setup fee of \$125.

Wireless Network Setup

We will configure a wireless router and up to 2 computers for secure wireless communications. \$75 – Wireless hardware sold separately.

Gamer Special

Let us install and configure your gaming console for wired or wireless Internet access.

Static IP Address <small>(requires wireless account & approval)</small>	\$15 per month
Extra email accounts	\$5 per extra account per month
Extra website space	\$5 per extra 25 MB per month

JULY/AUGUST WORKSHOP – ADVANCED WINDOWS 7

The Advanced Windows 7 class will cover setting up backups and reviewing options, working with System Restore and the options that are available, working with compatibility mode for legacy programs (Windows XP Compatibility Mode). We will also discuss migrating from Windows XP or Vista using the Windows Easy Transfer tool. **FREE CLASS FOR BENTON REA MEMBERS – SIGN UP BY CALLING 1-800-398-1232**

JULY 21, 2011 (WEST RICHLAND) AUGUST 15, 2011 (PROSSER)

*Standard installation includes labor and materials provided by PowerNET to install a standard antenna with no modifications or height extensions with a one wire service drop consisting of one cable not to exceed 100 feet going through one customer premises wall to one room to one computer or device. Any labor, materials or equipment to be provided by PowerNET that is in addition to the standard installation shall be charged and billed to the account of the PowerNET subscriber. Benton REA PowerNET reserves the right to change the terms of these rates and services at any time.
