Provisions for Line School Scholarship

I. Eligible Candidates

All children of Benton REA members, or members themselves, are eligible candidates; excluding any person serving on the Selection Committee, any Benton REA employee, or any Benton REA board member, or the children of any of these excluded individuals. Part-time Benton REA student employees are not included under the "Benton REA employee" exclusion.

II. Student Qualification Conditions

A. At the time of initial application, the candidate must be a graduating high school senior.

B. Applicant must be enrolled or planning to enroll in a line school program at a Benton REA approved Line School.

C. Parent(s) or legal guardian(s), or an Eligible Candidate, must be a member of the Benton REA with the member's primary/principal residence located within Benton, Yakima, or Lewis counties.

D. Recipients agree to participate in the next Benton REA annual meeting. If the scholarship recipient is unable to attend the Benton REA annual meeting, they must make acceptable alternative arrangements with the Benton REA.

E. The recipient must have completed all requirements necessary to be fully matriculated in the beginning of the term.

III. Limitations

A. Scholarships will be awarded for recipients who will attend a line school program. Benton REA will determine how the funds ($8,000) will be awarded on a case-by-case basis.

B. Scholarships will be paid directly to the recipient's program upon Benton REA's receipt of tuition costs and appropriate evidence that the recipient has been accepted as a full-time student.

C. First priority use of the scholarship funds must be to pay tuition. If money remains after tuition is paid, the candidate may purchase equipment and submit documented receipts to the Benton REA Review Committee to obtain reimbursement of such expense.

D. Unused scholarship funds will be retained by Benton REA. Unused funds may result if a student is over financed, if a student no longer remains enrolled in the pre-approved curriculum, if the student no longer meets the requirements of the scholarship program, or if a recipient ceases to be a student. Scholarship funds that have been sent to an institution that are not used by a qualifying recipient shall be refunded to Benton REA, not to the student.

E. Scholarships are not assignable.

F. Access to the scholarship fund for a line scholarship is valid for a limited time period not to exceed four (4) years from the date of initial enrollment in a pre-approved program, and the funds shall only be disbursed for a period not to exceed two (2) school years. The

scholarship funds will be disbursed through equal installments based upon the duration of the selected curriculum.

G. Continuing access to scholarship funds is contingent upon the parent(s) or legal guardian(s) maintaining their membership with Benton REA by retaining their primary/principal residence located within Benton County, Lewis County, or Yakima County.

IV. Application Procedures

A. Applicants for line school scholarships must complete an application form, submit three reference letters with one reference letter from someone associated with the trade, a copy of the applicant's transcript, and an experience sheet.

B. Only applications and all required material that have been received prior to the deadline will be considered.

V. Selection Criteria

A. General Selection Criteria will include the following considerations:
   1. Meet all eligibility requirements.
   2. Submission of reference letters as required.
   3. Grade Point Average. A copy of applicant's transcript must be provided.
